Guest Team Points, Home Team Points, and Period Clock digits are 16 inches tall, while Period, Team Fouls, and Time Outs Left are 12 inches tall. All other digits are 6 inches tall. Bonus and Possession indicators are 5 inches tall. Digits and indicators are formed from matrices of super-bright, long-lasting, energy-efficient LEDs (Light Emitting Diodes). Standard LED colors for this scoreboard are amber, red, and green. Our LED assemblies are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
