Customer Comments:

“Electro-Mech was great for our program. We had a close working relationship with everyone involved, and they made it all happen for us. Nobody could imagine the difference the sound and video made. It’s a whole new ballgame.”

-John McKissick - Head Coach-Athletic Director

“From our first meeting, we knew Electro-Mech spoke our language. Their proposal was just what we were looking for and even more. Electro-Mech worked with us on our ads, and it shows in quality.” -Jerry Bishop - Booster Club President
