- ScoreLink Wireless RF modem system for wireless communication
- Additional warranty and support plans

DIGITS / INDICATORS

Guest Team Points, Home Team Points, and Period Clock digits are 12 inches tall, while the Period digit is 9 inches tall. Bonus and Possession indicators are 3 inches tall. Digits and indicators are formed from matrices of long-last-ing, energy-efficient LEDs (Light Emitting Diodes). Standard LED colors for the scoreboard are amber, red, and green. Our LED assemblies are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
