- Wireless handheld switch assembly for control of the Play Clocks from the sidelines
- Additional warranty and support plans

DIGITS / INDICATORS

All digits for this model are 24 inches tall and are formed from matrices of super-bright, long-lasting, energy-efficient LEDs (Light Emitting Diodes). Choose either amber or red LEDs for all outdoor products. Our LED assemblies are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
