- ScoreLink Wireless RF modem system for wireless communication
- Additional warranty and support plans

ELECTRONIC TEAM NAMES (ETNs)

- 7-inch character height
- 9 x 40 pixel matrix
- Three character fonts
- Up to 8 characters per team

DIGITS / INDICATORS

Period Clock digits are 18 inches tall, while all others are 15 inches tall. Digits, ETN characters, and indicators are formed from matrices of super-bright, long-lasting, energy-efficient LEDs (Light Emitting Diodes). Choose either amber or red LEDs for all outdoor products. Our LED assemblies are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
