- Custom paint colors
- · Team name in place of HOME
- Up to 1,000 feet of data cable for hardwired installations
- ScoreLink Wireless RF modem system for wireless communication
- Additional warranty and support plans

### **DIGITS / INDICATORS**

Guest Points, Home Points, and Period Clock digits are 24 inches tall, while Penalty digits are 15 inches tall. All other digits are 18 inches tall. Football-shaped Possession indicators are 10 inches tall. Digits and indicators are formed from matrices of super-bright, long-lasting, energy-efficient LEDs (Light Emitting Diodes). Choose either amber or red LEDs for all outdoor products. Our LED assemblies are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
